VALUE SHEET

XEIKON SX20000

The all-round performer
in high quality digital print

In today's world, it's all about developing a value proposition which addresses quality, service, delivery and competitive pricing. Digital print production provides a broad range of new possibilities which drive to profit. The SX20000 is the newest addition to the Xeikon duplex family of presses, built on the ground breaking SIRIUS platform and delivering a series of unique benefits.

- Excellent investment vs capacity ratio
- Superior image quality
- Market leading EP speed, up to 270ppm (A4) or 1.695 B2 sheets/h
- Widest application and substrate range
- Unequaled sustainability
- Full rotary printing, no fixed sheet or frame
- High uptime and output stability
- Best in class Total Cost of Ownership (TCO)
